

Dear Parents

Sherpa Kids opening soon at Summercove National School

Thank you to all parents who have responded to the survey from Sherpa Kids. We have analysed these results and we are delighted to announce that this shows that providing a before and after school service at Summercove is one that many parents would like to use.

The service will be opening on the 29th **January 2018** from 1.40pm - 6.00pm initially, with the service extended to include before school services from **September 2018** onwards. The services will work alongside the existing after school activities and homework club which will continue unchanged. When these services finish, children will be transferred to Sherpa Kids services if required.

The after school service offers a light snack with a daily structured activity. All our services are delivered by fully trained and garda vetted staff to make sure we offer safe and secure services which are engaging and fun. Charges for the service are 5.50 euros per hour or part thereof and is based on the actual time used.

To use the service is easy. It just requires the completion of a short enrolment form which include essential information about your child. You can complete the enrolment from online at <https://sherpakids-ie.aimyplus.com> site code SCNS. This enrolment provides you with a secure portal which allows you to make booking and monitor any invoices. Summercove is listed in the schools section as 'S N CHOBH CHIONN TSAILE'

We look forward to opening the service and to seeing the children of Summercove make use of the service in the new year.

If you have any questions relating to the service or enrolling, please contact Teresa.

**Kind Regards,**

**David and Teresa**
